

DÉMARAIS PROFILE

COACH BUILDING FROM ALL ANGLES

OUR QUALITY COMMITMENT

■ OUR APPROACH TO QUALITY IS BASED ON **SOUND LOGIC**

The future prosperity of our business is closely linked to our performance. Our performance is linked to the success of our Quality initiatives. By optimising the Quality of our products and services we provide total customer satisfaction.

■ OUR APPROACH TO QUALITY COVERS **ALL LEVELS**

Our products and our services. Our production means. Our partners, both clients and suppliers. Your personal commitment as a responsible employee.

■ OUR APPROACH TO QUALITY IS BACKED BY **RESOURCES**

The Quality Management Manual serves as a benchmark laying out our organisation's guidelines and the overall measures for obtaining, maintaining and improving quality.

■ OUR APPROACH TO QUALITY HAS GOT ITS OWN **RULES**

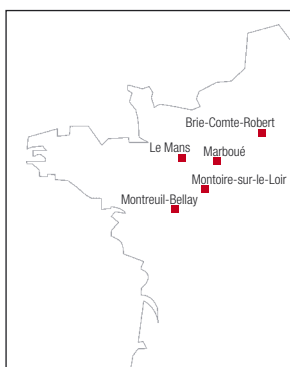

Total commitment on the part of our management and team managers. Awareness on the part of our entire workforce via training, communication and motivation. Continuous analysis of the current situation via quality measurement, indicators and action plans. Continuous performance's improvement.

■ OUR APPROACH TO QUALITY IS A **MANAGED BY PROCESS**

Our Quality manager, by acting in complete independence from all other departments and reporting directly to Senior Management, works to co-ordinate control and assessment of our Quality procedures and has got the full authority to ensure their compliance.

■ OUR APPROACH TO QUALITY IS IN **CONSTANT EVOLUTION**

We constantly strive to improve our business performance as much as possible and meet both current and future client's requirements. To achieve this, we develop new concepts tailored to future changes, both in terms of technologies and standards.
